The image shows a close-up of a granite surface with a speckled pattern. The base color is a light tan or beige, with numerous small, dark, irregular spots and flecks scattered throughout. The texture appears slightly grainy and uneven. In the upper right corner, the text 'DH18' is printed in a blue, sans-serif font.

DH19

DH20

The image shows a dense, brown, granular material, possibly a soil or sediment sample. The surface is covered with many small, dark, irregular particles, likely organic matter or mineral inclusions. The overall texture is rough and uneven. The text 'DH20' is printed in the top right corner in a light blue, sans-serif font.

**DH79**

The image shows a dense, dark-colored granular material, likely a soil or aggregate sample. The texture is highly irregular and porous, with many small, light-colored particles and voids interspersed within the darker matrix. The overall appearance is that of a coarse, weathered material. The label 'DH79' is positioned in the upper right quadrant of the image.

DH304

An aerial photograph of a forest with a grid overlay. The grid consists of dark lines forming a pattern of squares and rectangles across the forest canopy. The text 'DH305' is printed in white in the upper right quadrant of the image. The forest appears to be a mix of green and brownish-green, suggesting different tree species or stages of growth. The grid lines are spaced out, creating a regular pattern across the terrain.

DH307

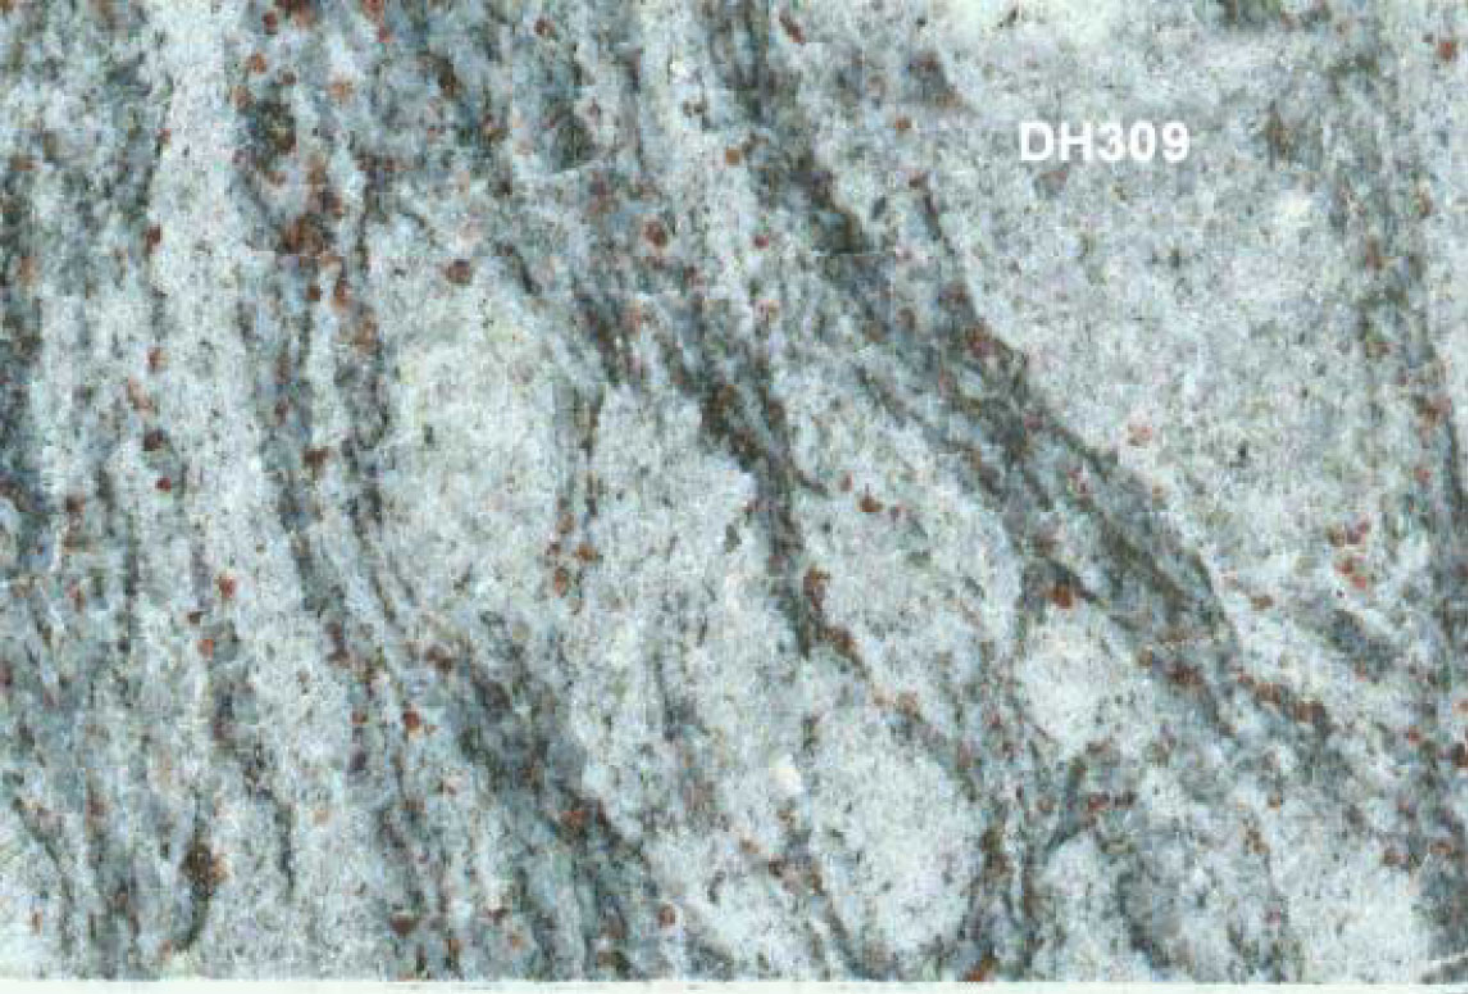

DH308

DH309

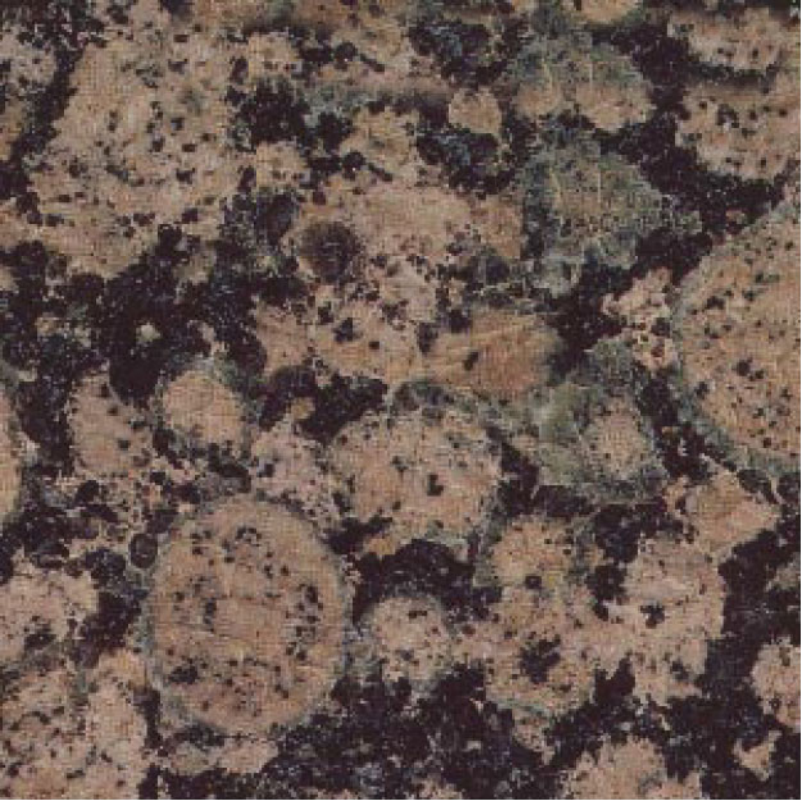

An aerial photograph of a forest with a dense canopy of green trees. There are several small, irregularly shaped patches of brown and tan, likely representing dead trees or forest gaps. The text 'DH310' is printed in white, bold, sans-serif font in the upper right quadrant of the image.

DH310

An aerial photograph of a dense, green forest. The trees are packed closely together, creating a textured, dark green canopy. In the upper right portion of the image, the text "DH310" is overlaid in a white, sans-serif font. The overall scene is a natural, undisturbed forest landscape.
